Rantířov

0 250 500 m

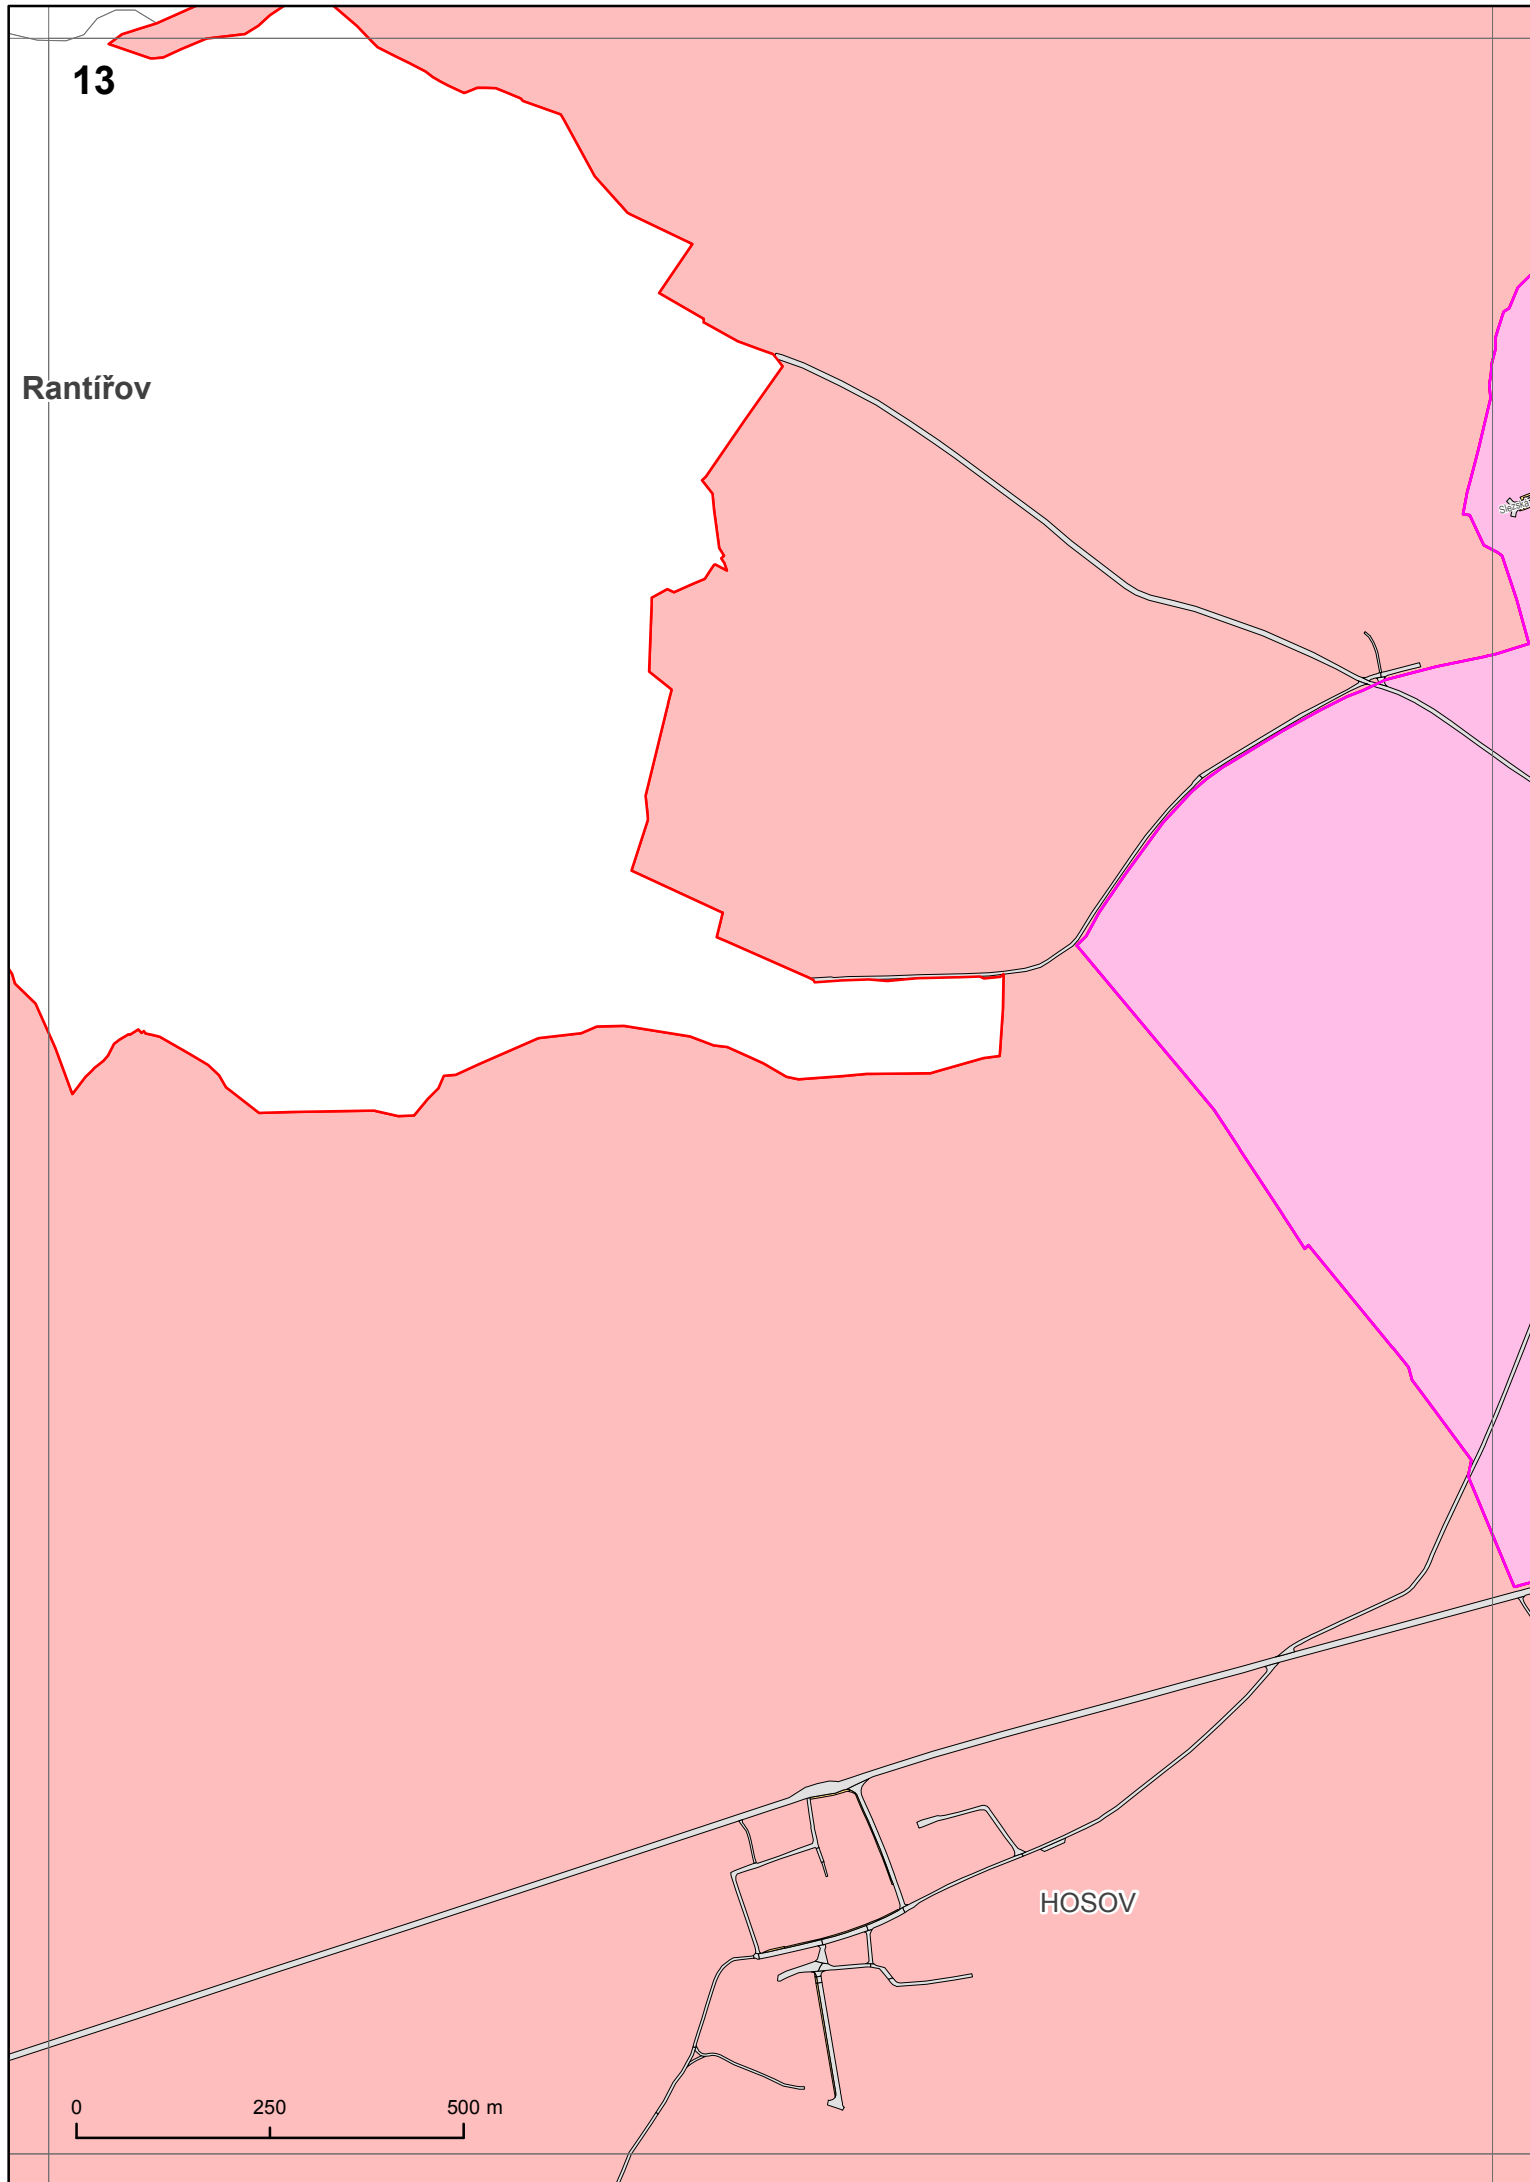

A map of the Rantířov area. A large, irregularly shaped region is shaded in light red, outlined by a red line. This red-shaded area occupies the lower half of the map. Above it is a white area, and further up is a grey-shaded area. A scale bar at the bottom left indicates distances of 0, 250, and 500 meters. The map is framed by a black border.

25

0 250 500 m

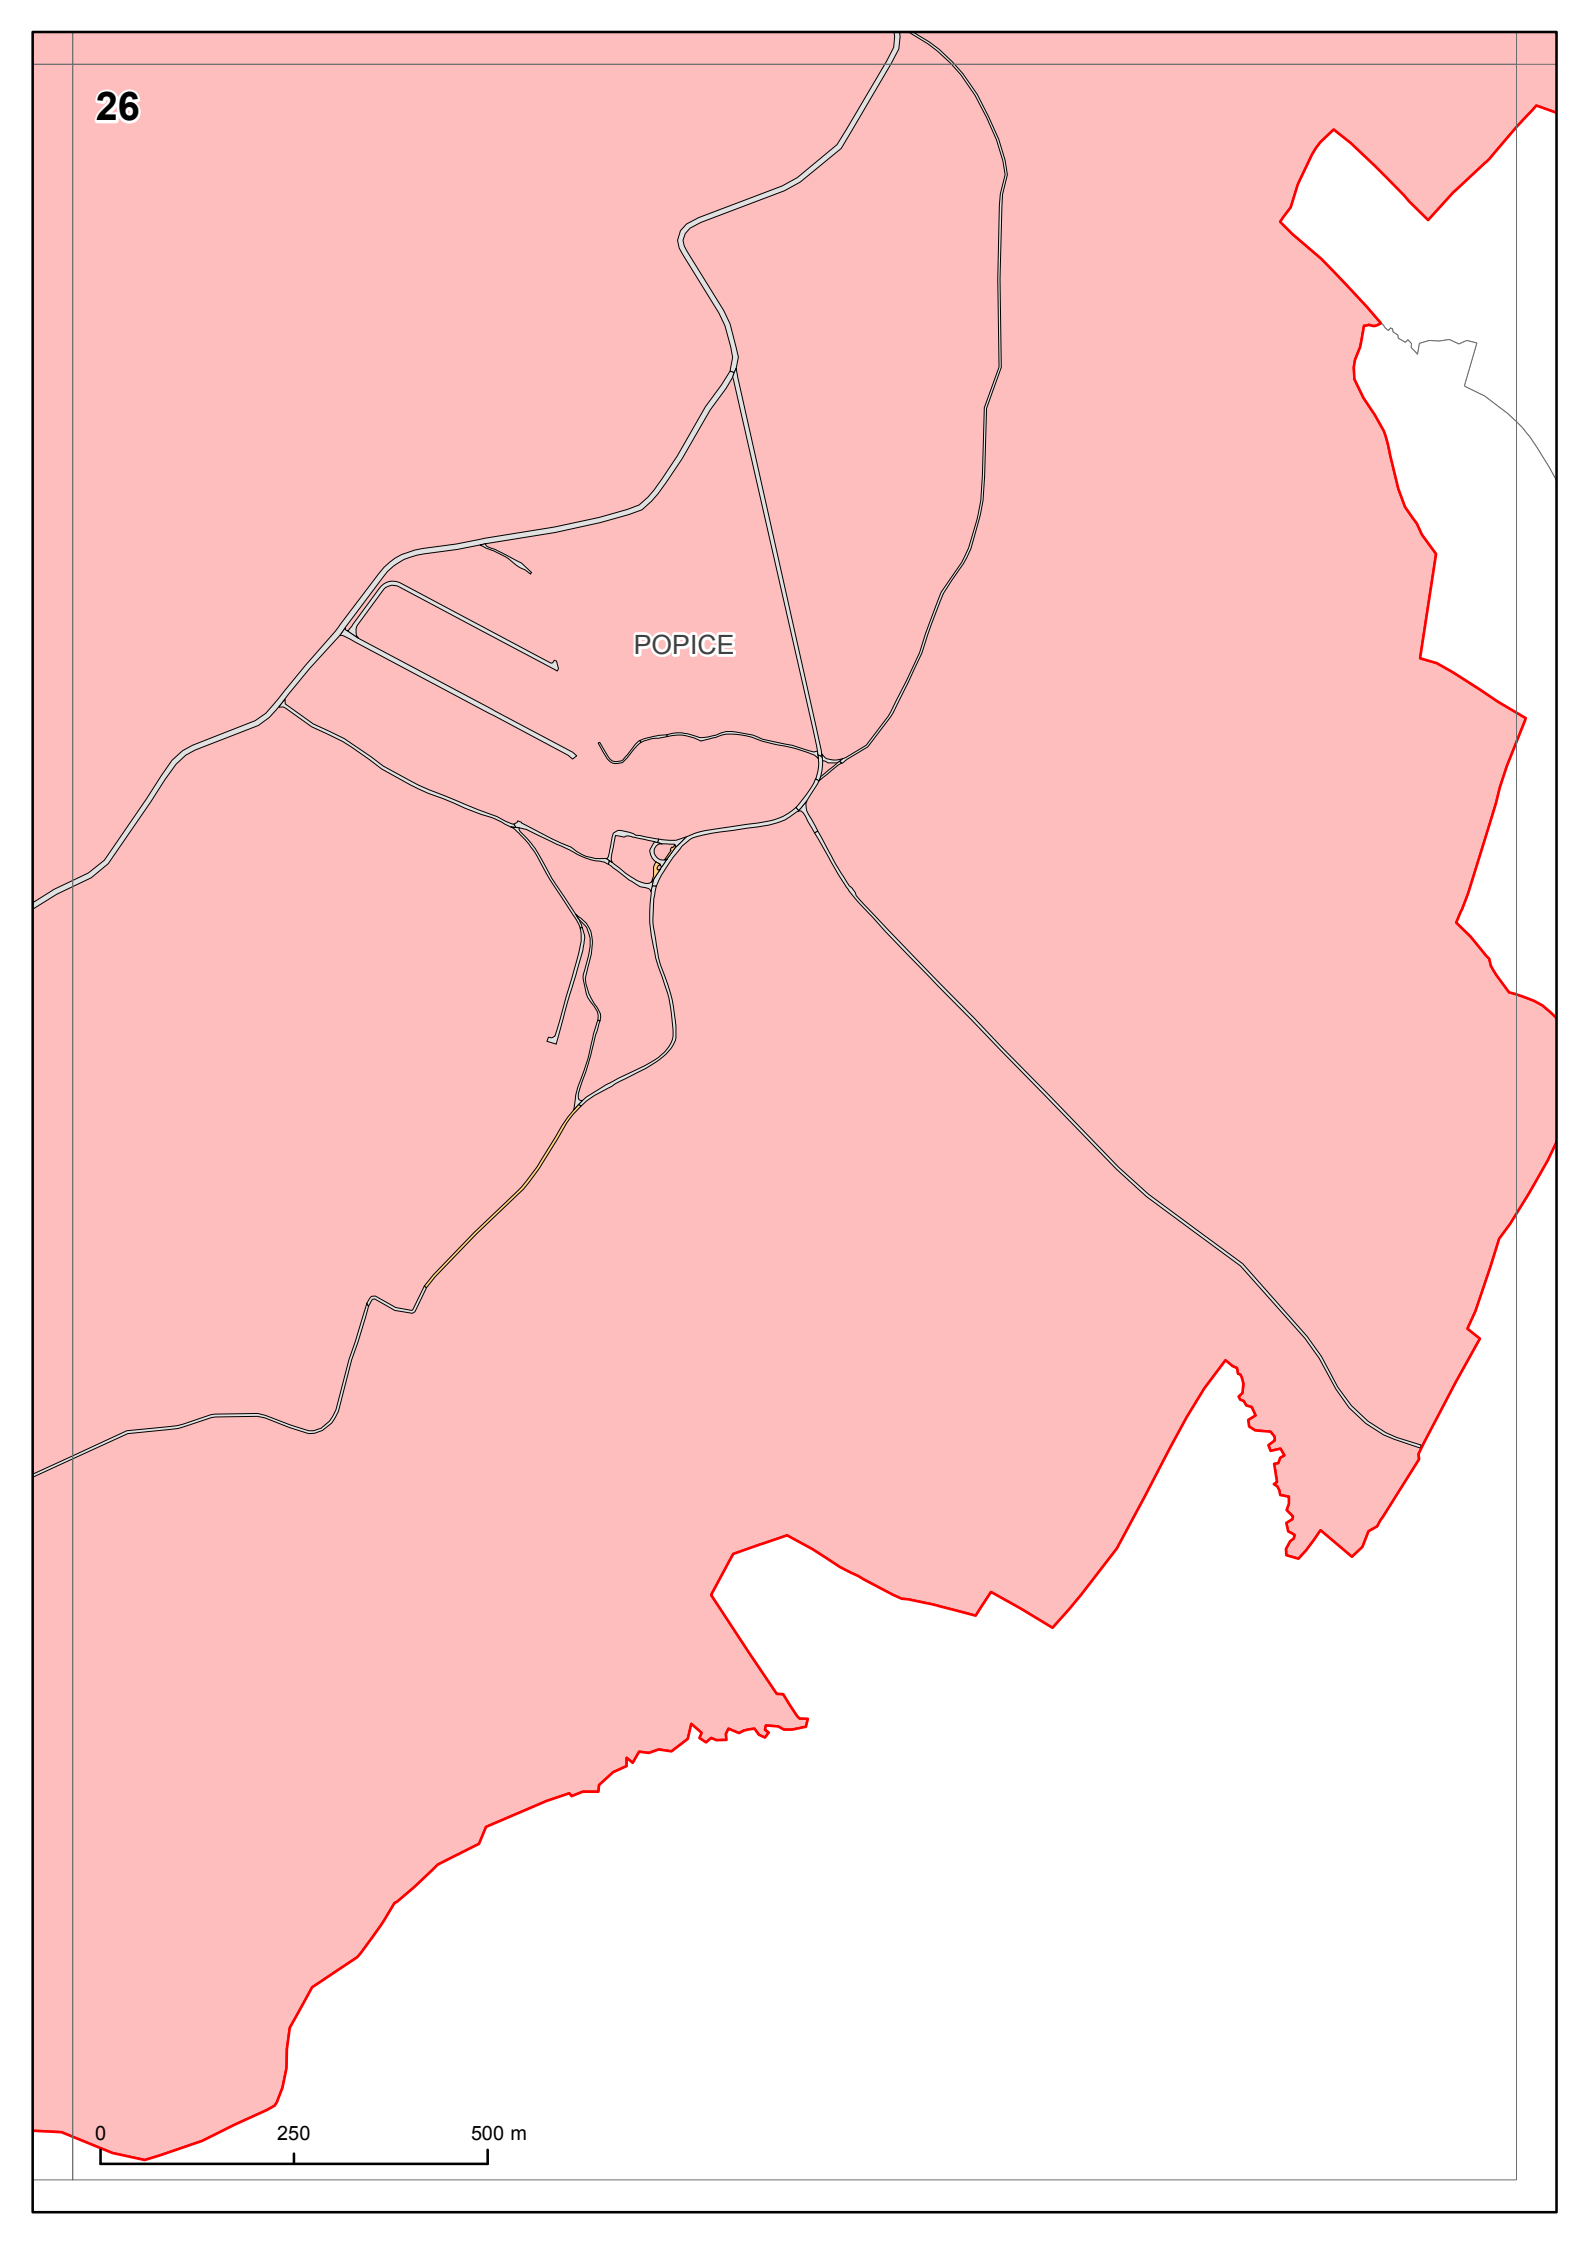

A map showing a large red-shaded area with a red outline, set against a light gray background. The red area has an irregular shape with several protrusions and indentations. A thin gray line runs horizontally across the middle of the map, and a thin gray line runs vertically down the right side. A scale bar at the bottom left indicates distances of 0, 250, and 500 meters. The number '25' is in the top left corner.

26

POPICE

0 250 500 m

A map of the Popice area, showing a large red-shaded region. The region is bounded by a red line on the right and bottom, and a grey line on the left and top. A network of grey lines represents roads or paths, with a yellow line segment in the lower-left. The word "POPICE" is written in the center. A scale bar at the bottom left indicates distances of 0, 250, and 500 meters.
